San Ramon, CA (Newsworthy.ai) Thursday Sep 21, 2023 @ 10:10 AM Pacific —

RChilli, a member of the Oracle Partner Network (OPN) and committed to delivering advanced parsing solutions to Oracle users, is delighted to announce its strategic partnership with Witbor, a prominent player in talent management and recruitment software.

This collaboration underlines the commitment shared by both companies to reshape the recruitment landscape for Oracle professionals, bringing efficiency and innovation to their hiring processes.

With RChilli's state-of-the-art resume parsing and accurate candidate data extraction technology, the company has made waves in the HR tech industry. Witbor, on the other hand, is renowned for its comprehensive recruitment software solutions designed to empower organizations in their talent acquisition endeavors. By uniting their strengths, these industry leaders are set to offer Oracle recruiters a unique and streamlined recruitment experience.

The partnership between RChilli and Witbor serves Oracle recruiters with key benefits including:

- Precision in Data Handling
- Seamless Integration
- Time and Cost Efficiency
- Elevated Candidate Experience
- Data-Driven Insights

"Partnering with Witbor holds immense promise for both of our organizations," said Michael Josifovski, Head Of Strategic Partnerships & Alliances, RChilli. "Witbor has had a very strong presence in the Latin American region and is also gaining heavy traction in the United States. It will be exciting to see this collaboration drive major value to our end clients "

Oracle recruiters can anticipate a more efficient, accurate, and data-driven recruitment process thanks to the alliance between RChilli and Witbor. This partnership signifies a significant advancement in recruitment technology, offering benefits to both organizations and job seekers alike.
