[RChilli](#), a recognized name in the HR technology landscape, is proud to announce a monumental achievement that underscores its unwavering commitment to data security and client trust. With a prestigious lineup of certifications, including ISO 27001:2013, SOC2 Type II, HIPAA, GDPR, and PCI DSS compliance, RChilli now stands as a formidable leader in safeguarding sensitive HR data.

In an era where data security is paramount, RChilli has taken significant strides to fortify its position as a trusted partner for HR professionals and organizations. These esteemed certifications serve as a testament to RChilli's dedication to maintaining the highest data protection and privacy standards.

ISO 27001:2013: RChilli, with ISO 27001:2013 certification, demonstrates its commitment to establishing, implementing, maintaining, and continually improving its information security management systems to ensure the confidentiality, integrity, and availability of sensitive data.

SOC2 Type II: By completing the Service Organization Control (SOC2 Type II) compliance process, RChilli validates its adherence to stringent security, availability, processing integrity, confidentiality, and privacy standards.

HIPAA: RChilli's compliance with the Health Insurance Portability and Accountability Act (HIPAA) signifies its dedication to protecting the confidentiality and security of healthcare-related data. With HIPAA compliance, RChilli offers HR solutions that meet the strictest standards for handling sensitive health information.

GDPR: RChilli complies with the European Union's General Data Protection Regulation (GDPR), ensuring that it respects and safeguards personal data privacy. This certification is a testament to RChilli's commitment to data protection, not only for its European clients but also for all clients who entrust their data to its platform.

PCI DSS: By achieving Payment Card Industry Data Security Standard (PCI DSS) compliance, RChilli demonstrates its ability to securely handle payment card information. This compliance adds an extra layer of security for clients processing payments through RChilli's HR tech solutions.

"We are thrilled to achieve these exceptional certifications, which reflect RChilli's unwavering dedication to data security and privacy. These achievements solidify our

position as a leader in the HR tech domain, offering our clients the utmost confidence in protecting their sensitive HR data,” said Jitender Thakur, Head of IT Infrastructure and Information Technology at RChilli.

RChilli’s continual pursuit of excellence in data security further highlights its commitment to providing HR professionals and organizations with the safest, most reliable, and cutting-edge solutions in the industry.
